END OF THE SEASON

The Southward Flight From Iren Springs Setting in-

Iron Springs, Aug 21.-(Special Correspondence of The Republican.)-This evening from Prescott were Misse may be said to virtually end the season at Iron Springs. While many of the cottagers will remain until the opening night. The cake walk was led by Miss of the schools, and others will be here Marie Baker. until even late in the fall, still the large part of the crowd will be gone soon after the 1st. Those who can spend the fall months here are indeed fortunate. The mountains are particularly beautiful during this time of year, and it is then that the wild grapes, walnuts and pinons are ripe. The Indian hand leaves Saturday night for Phoenix, where the members will resume their duties at the Indian school. Under the efficient leadership of Mr. Devine they have furnished excellent music during the summer, and they added much to the enjoyment of the residents. Owing to their departure the regular Saturday dance is to be held Friday evening instead, and will be the closing feature of the season. Extensive preparations are being made for the occasion. The

Dr. Taft Bros. Medicine Co. Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others. I chanced to see your sign aron your windows on asoth street, New York, I at once obtained a boiltle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.
